

CALL FOR APPLICATION

BRIDGE CRPD-SDGs Training Program for Uganda

(English language)

Supported by:

BIG Lottery Fund, CBM, IDA, IDDC & ADF

Background

IDA and IDDC recently developed the **BRIDGE CRPD-SDG training initiative** to support leaders and resource persons of organizations of people with disabilities to **advocate for inclusion and realization of all human rights for all persons with disabilities** in resources-constrained environments, and facing challenging governance and competing agendas and politics at national and local levels. The intensive BRIDGE CRPD-SDG program focuses on **inclusive and comprehensive understanding of the Convention on the Rights of Persons with Disabilities (CRPD) as well as generating a CRPD perspective on development in general and the Sustainable Development Goals (SDGs) in particular**. As an outcome of the training program, advocates would have stronger skills and knowledge to make the most of both SDGs and the CRPD to ensure realization of all human rights for all persons with disabilities.

Since 2015, BRIDGE CRPD-SDG has been piloted in 5 regions (South East Asia, Latin America, Pacific, East-West Africa, Big Lakes Africa, and at national level Indonesia-East Timor) as a coordinated training investment, drawing from the resources and experiences of IDA and IDDC and their members as well as the Disability Rights Fund (DRF), and linking with regional DPO networks.

In 2016/17, the first full inclusive BRIDGE CRPD-SDG training cycle was conducted in Africa for 310 advocates from 10 English speaking Western Africa (*Gambia, Ghana, Liberia, Nigeria, Sierra Leone*) and Eastern Africa (*Ethiopia, Kenya, Rwanda, Tanzania, Uganda*) countries, in collaboration with IDA, IDDC, and their members, and with DRF; led by and the African Disability Forum (ADF), in Ghana and Kenya, first and second modules, respectively.

Now, ADF in partnership with CBM, IDA and IDDC and their members, supported by a grant from the Big Lottery Fund (BLF) of UK is launching a National BRIDGE CRPD – SDG training cycle in Uganda for disability advocates.

The BRIDGE CRPD – SDG training program is an intensive training composed of two modules of 7 days each with assignments to be carried out by each trainee between modules.

- Module 1 focuses on inclusive and comprehensive understanding of the CRPD and linkage to the SDGs
- Module 2 focuses on different components and tools of policy advocacy (public policy analysis, national data collection, legal harmonization, budget advocacy, inclusive programming, and use of international accountability mechanisms, among others).
- Assignments include producing a short policy brief analyzing one key policy issue with regards to implementation of the CRPD and inclusive development at national level.
- The completion of the two modules and assignments are required to obtain the training certificate.
- The BRIDGE CRPD-SDG training program puts much emphasis on participation of the diversity of persons with disabilities and gender equality.

The first module of the **BRIDGE CRPD-SDG training program in Uganda will take place from the 12th-19th April 2018.**
